HOW TO GET TO JUNIPERO SERRA BUILDING

Carmel Room- 1st Floor, 320 W. 4th Street, Los Angeles, CA 90013

Transportation: From Temple to 4th street Bus 10 runs both ways on Hill. From Pico and Figueroa, Bus 81 runs up Hill with a stop at 4th.

Red line exit Pershing Square: walk in the direction of the 4th street stairs, not 5th: 4th street escalator to the right goes directly across the street from the building. 4th street escalator to the left is diagonally across the street from the building.

From Union Station: if not on the Red Line, take the D Dash from Union Station Bus center island the Bay closest to the freeway up Temple to Spring and down Spring exit at 4th. The D ash also runs the other direction from Public Works Building (12th and Hill) up Hill across Olympic Blvd to Main Street exit at 4th and Main and walk 2 blocks on 4th. The dash is now 35 cents.

The least expensive parking: is ~\$4.50 on Main behind the Ronald Reagan Building between 4th and 3rd on the right going 1 way North.
