## SOCIAL MEDIA POWER SITES

### FACEBOOK

[HTTP://FACEBOOK.COM](http://facebook.com)

### INSTAGRAM

[HTTP://INSTAGRAM.COM](http://instagram.com)

### TWITTER

[HTTP://TWITTER.COM](http://twitter.com)

### PINTEREST

[HTTP://PINTEREST.COM](http://pinterest.com)

## IMAGES FOR POSTS

Images found on the Internet are not in the Public Domain. Because of that, you should not use them unless you verify the usage rights. Upload any image you find to the search box in Google Image Search. <https://images.google.com/> . On the page select the link that shows “visually similar images.” From the menu that appears, select Tools, then Usage Rights.

### PUBLIC DOMAIN PICTURES

All images free for commercial or personal use. <http://publicdomainpictures.net>

### PIXABAY

All images free for commercial or personal use. <http://pixabay.com>

### WIKIMEDIA

Images free for commercial or personal use, sometimes attribution is required  
<https://commons.wikimedia.org/>
